

Dear [NAME HERE],

I would like to attend The 2024 RSP Fall Experience: INSPIRE, taking place on October 8th in Minneapolis, MN, at The Walker. This summit-like event, hosted by Ready. Set. Pivot. (RSP), brings together leading organizations, influencers, career-experienced women (15-20+ years), consultants, agencies, and entrepreneurs. **The event aims to challenge perceptions of talented women while helping them create new measures of success.**

Attending the RSP Fall Experience will not only inspire me but also equip me with the critical skill of change readiness—a skill essential for leaders, business owners, and individuals in the future world. The uniquely curated experience and sessions are designed to prepare attendees to become more adaptable, resilient, and visionary leaders by challenging them to think about where they've been, where they are today and where they'll be tomorrow.

This unique professional development opportunity includes a wide array of speakers directly applicable to my professional growth needs. It also provides a platform to network with experts and colleagues from across the state and perhaps even the country, including the likes of Kristi Lord, formerly of Chinus Asset Management, LLC, Lindsay Droz, formerly of Boston Scientific and Jen Mahone Rightler, former Executive People & Culture Leader turned entrepreneur.

By attending the RSP Fall Experience, I will gain knowledge and insights that will help me:

- Recognize, cope with, and manage change for myself and those around me.
- Network with professionals who have successfully navigated their own careers and lives.
- Develop new skills, perspectives and strategies such as growth mindset, perseverance, tenacity, confidence, and curiosity.
- Discover new ways and resources to address meaningful work and integrate these insights into my organizational and work / life plans.

I am seeking support to attend this event during a workday and sponsorship for the registration fee (\$350) and any related travel expenses (e.g., parking, incidentals).

The opportunity to develop valuable contacts and gain knowledge in specific areas makes my attendance at the RSP Fall Experience a wise investment. The time away from work will allow me to focus fully on learning and networking, leading to insights and connections that will directly enhance my performance in my current role. This will improve my motivation and expand my network of professional resources, which I can leverage for continuous learning and development.

Please let me know if you have any questions or would like more information about The 2024 RSP Fall Experience.

Thank you!
